Dear students!

In order to determine the totality of social and psychological factors of student satisfaction with conditions in the dormitory, the Department of Sociological Research of the Department of Strategic Development conducts a survey of students on the questionnaire "Student satisfaction with living conditions in the dormitories of M.Auezov South Kazakhstan University" from 26.09.-05.10.2022. We invite you to take part in a sociological study.

Thank you in advance for your participation!
