**Dear teachers!**

In order to determine the totality of social and psychological factors of teachers' satisfaction with the organization of work, the Department of Sociological Research of the Department of Strategic Development conducts a survey of students on the questionnaire "Teachers' satisfaction with the organization of work" from 22.12..2021- 29.12.2021 we invite you to take part in a sociological study.

**Thank you in advance for your participation!**
