Announcement

Dear Students!

In order to evaluate the quality of teaching, course content, and the professional competence of instructors, the Sociological Research Office of the Strategic Development Department is conducting a student survey entitled “*The Teacher through the Eyes of Students*” from February 4 to February 25, 2026. We kindly invite you to participate in this sociological survey. To answer the questionnaire, please log in to your student personal account via the following link:

[Student Portal](#)

Thank you for your participation in the survey!
